## FINALIZE APPLICATION

**Please acknowledge the below options if they apply to you.**

I have answered all of the questions truthfully to the best of my ability

I/We understand the Landlord is not responsible for tenants' possessions. If application is accepted tenant must carry tenants' insurance covering possessions and protecting against liability

I understand that should I submit a security deposit upon approval and fail to take possession of the unit on the committed date, I will forfeit the security deposit to rent.

I/We understand that a credit check will be performed prior to being considered as a tenant

I/We understand prior to the possession of this property I will be liable to provide the landlord proof to current tenant insurance with a minimum liability of \$1,000,000. Early access, keys and such will not be provided without proof of insurance. I agree that I will maintain this insurance policy in full force during the entire duration of my tenancy.
